

TRANSPORTATION WAIVER / ALTERNATE TRANSPORTATION FORM

No student is permitted to leave an event without personally checking out with the Coach or Advisor

I am the parent/legal guardian of (student name) _____, an athlete in Tualatin Lacrosse Club's Boys Varsity Boys JV Girls Varsity Girls JV Lacrosse team. I would like my child to be transported to or from the game against _____ to be played at (location/field) _____ on _____ (date), in the following manner:

- I would like permission to drive my own child, in my own car, to and/or from this event.
- I give permission for a coach/teacher to drive my student in their personal vehicle and/or district vehicle to and/or from this event.
- I give permission for another parent/adult to drive my child/children in their personal vehicle to and/or from this event. Name of adult: _____
- I give permission to my child to use his/her own vehicle. It is understood and agreed that my son/daughter will not transport any other student in his/her vehicle.

I, the undersigned, understand that my child may be at greater risk of injury or death by being transported in a private automobile instead of a school bus and assume such risk on behalf of my child. I/we agree not to hold Tualatin Lacrosse Club, Tigard/Tualatin School District and/or the high school, or any of its agents or employees liable for any sum which I/we might claim as a result of injury, or property damage arising out of, or caused by any accident or occurrence during the time said student is being transported by me, or driving himself/herself, or driving with another adult to or from said practice, game or event in conjunction with the activities listed above. I further understand and accept that neither the school nor school district can be responsible for my child missing information provided during the trip to the event or returning. Neither my child, I, nor children I am driving, are guaranteed admittance to the event should we not be able to meet at the appropriate place or time upon arrival at the destination.

NOTE: If you drive your personal automobile as a district volunteer while on district business and you are involved in an accident, by law your liability insurance policy is used first. The district liability policy would be used only after your policy limits have been exceeded. The district does not cover, nor is it responsible for, comprehensive and collision coverage to your vehicle.

Students are required to notify the Coach or Advisor that they will be providing their own transportation at least 24 hours in advance of the activity. If the Coach or Advisor decides that self-transportation for this particular event is inappropriate, the student and parent agree that the student will use the transportation provided by the district. A student granted permission to utilize transportation other than district transportation MUST personally notify the Coach or Advisor (along with the person(s) providing the transportation) prior to being dismissed from an event. No student is permitted to leave an event without first checking in with the Coach or Advisor.

It is understood and agreed that this permission to provide our own transportation is granted by my child's Head Coach, TuHS Athletic Director and/or Advisor of the activity and can be revoked at any time at their discretion.

*****THIS SIGNED WAIVER MUST BE IN THE POSSESSION OF THE SUPERVISING FACULTY MEMBER/COACH PRIOR TO THE STUDENT'S RELEASE TO ANY ABOVE MENTIONED PARENT/ADULT*****
